

## **Women's Health Clinic (OB & Gyn)**

402-232-2273, ext. 342

Patients may be treated in the clinic by referral from MTF or civilian providers. Self-referral appointments can be made with a Women's Health Nurse Practitioner for minor GYN concerns and well woman exams.

The Women's Health Clinic provides quality nursing care to eligible women (adolescent to geriatric) throughout the childbearing and menopausal cycle. We strive to teach our patients and their families' positive health practices through an understanding of available community and hospital resources. We provide preventive health care and the maintenance of a healthy life style in an organized, safe, and caring environment. Care includes, but is not limited to:

- Cancer screening
- Dysplasia treatment
- Sexually Transmitted Infection Treatment
- Mammography Referrals
- OB/GYN preventive medicine/Well Woman Exams
- Patient/family education
- Patient/family OB/GYN concerns
- Family Planning Services
- Wellness services

### **OB Pink Team**

Operation Special Delivery (OB Orientation) – Group orientation held every Tuesday at 9 a.m. in the third floor classroom at the Clinic. This class is required for Active Duty patients and highly encouraged for all others and new OB patients arriving to Offutt. This class will inform you of the OB care and services provided by the 55th Medical Group and our community partners.
